OpenMV® Camera Module Extension Cable

Datasheet

SKU: OMV-CAB-FPC-V1

Description

The Camera Module Extension Cable allows you to separate the camera module from the motherboard. The extension cable is useful for any application where you need to place the camera module and processor body in different locations. Make sure to connect the extension cable with the same orientation as shown in the product pictures. Failure to do so may damage some OpenMV Cam variants.

Target Areas

Remote camera placement, enclosures, robotics, inspection systems, tight-space installations.

Key Features

- **80 mm FPC cable** — Flexible printed circuit cable to separate camera module from motherboard.
- **Broad compatibility** — Works with all camera modules except PAG7936 MIPI sensor (PS5520 MIPI works).
- **Lightweight** — Only 1 g.

Applications

The Camera Module Extension Cable is useful for any application where you need to place the camera module and processor body in different locations, such as remote camera placement, enclosures, robotics, inspection systems, and tight-space installations.

1 Specifications

1.1 Cable Specifications

Component	Details
Length	80 mm
Type	Flexible printed circuit (FPC)

1.2 Compatibility

Component	Details
Supported Cameras	All OpenMV Cam models.
Supported Modules	All camera modules including PS5520 MIPI sensor. Does NOT work with PAG7936 MIPI sensor (updated cable with better impedance control in development).

1.3 Important Notes

Component	Details
Orientation	Connect with the same orientation as shown in product pictures. Incorrect orientation may damage some OpenMV Cam variants.
Daisy-Chaining	Daisy chaining 80 mm cables to get a longer cable does not work.

2 General Info

Dimension	Value
Length	82 mm
Width	14 mm
Height	3 mm
Weight	1 g
Operating Temperature	-55°C to +125°C
Storage Temperature	-55°C to +125°C
Country of Origin	China
HS Code	8473.30.1180
UPC	787303475949
SKU	OMV-CAB-FPC-V1
ECCN	EAR99

3 Certifications

Certification	Region	Details
RoHS	EU	Compliant with EU Directive 2011/65/EU (RoHS 2). All components and solder are lead-free.
REACH	EU	Compliant with EU Regulation (EC) No 1907/2006.
